RE: MB Docket No. 14-57

Dear Chairman Wheeler:

I am writing to express my support of Comcast. I work for a non-profit organization in Boston and which partners with Comcast for seven years. We appreciate the philanthropic support and corporate citizenship of Comcast.

Comcast has a strong interest in supporting young people as well as immigrant families. They provide funding to support immigrants parents and youth to enhance their access and comfort in using the technology. We have seen positive outcome of these youth in their leadership skills and confidence as a result of the technology program. In addition to financial contribution, Comcast also provides air time to help promote our organization.

Thank you for your consideration.

Sincerely,
